

DORSET FUNGUS GROUP RULES FOR MEMBERS / GUESTS

Register with the person taking the list of participants. If you leave early please tell someone.

Heed all instructions given by the foray leader and keep them in sight.

Do not pick or touch anything without first seeking advice.

Never put anything in or near your mouth and always wash your hands after a foray.

If collecting both edible and inedible specimens keep them apart.

Don't pick edible specimens you don't plan to eat and never more than 1.5 kg or fewer than half of the fruit bodies.

Do not collect 'buttons' ie fungi that have not opened fully.

Please supervise children you bring – they are your responsibility.

Dogs allowed on fixed leads

Observe the Countryside Code: fasten all gates, take any litter home, do not dig or pick flowers.

If you go foraging independently ensure you have the landowner's permission.
